Isaiah, Tyson

Coming up at KAC and in our community:

TODAY at Luseland Bible Camp is **Family Fun Day** from 2-5pm. An afternoon packed with fun for all ages – for just $5/person!

July 1st Canada Day Celebrations:
11-3 At the museum with the Town of Kindersley
10-5 At Rotary Park football field with Friday FX and Kindersley Christian Fellowship

Sunday August 11 @ 2:30-3:30 **Heritage Manor Service**

GiddyUp Junction: **Vacation Bible School** will run from **August 19-23** each morning from 9-High Noon, for grades K-6. Stories, songs, crafts, games, snacks. Volunteers needed for everything. Contact Cheryl G for more info or to volunteer!

Check out our website: www.kindersleyalliance.com

Luseland Bible Camp has a serving opportunity for you! Our cooks can't do it alone! Nor do they want to! They want your help preparing delicious meals to serve the camp kids! Please consider giving of your time to this ministry. No skill required, just a willing heart! July 7-12 and August 11-16 are when Cheryl G is cooking.

We also have non-kitchen/handy man jobs that need doing weekly! So if you are willing to give your time and energy that way, we would very much appreciate it. Please leave your name, a contact number, and what day works for you to come out and we will have a small list of odd jobs ready for you! Thank you!

Luseland Bible Camp needs your help!!! Actually we need your cookies!!! For each week we love to serve the kids cookies as a night snack!! If you could help us with that we would be so grateful!!! We need about 60 dozen cookies a week! Please make them nut free.
We are also in need of muffins or cupcakes. (15 dozen)
Please drop them off at the camp by July 7/August 11 or arrange with Cheryl or Rachel to have them delivered.

Sign-up sheets are on the old piano.

KAC Factoids with Ron

In the 1970's, in the "new church building" (now the Norm Ritchie Centre), a luxurious sound system was in use. The up-to-date system had two speakers mounted on the front wall (no monitors). The mixer had two inputs. The operator could adjust bass and treble. A flick of a switch made the whole thing run. Simple and yet effective.
